## Mission

Our mission is to create a range of high-quality, dewaxed edible oils that are rich in essential vitamins and nutrients, and enhance the flavor and aroma of every dish. We aim to achieve this by using the finest ingredients, advanced processing techniques, and by prioritizing the health and satisfaction of our customers.

## Vision

Our vision is to contribute to the daily life of our consumers by introducing a range of healthy oils. Our Dewaxed oils are a manifestation of the same vision. We want our customers to experience health and well-being in their daily life without compromising on taste. We strive to make our brand synonymous with excellence, innovation, and customer satisfaction.

## KriShiv Dewaxed Double Filtered Groundnut Oil

KriShiv Dewaxed Double Filtered Groundnut Oil is made from the finest quality handpicked peanuts. The oil has been dewaxed and double-filtered, making it completely pure and free from impurities. The oil is also hygienically packed to maintain its freshness and enhance its shelf life. Plus, the oil has a pleasant taste that will leave you wanting more.

## KriShiv Dewaxed Sunflower Oil

KriShiv Dewaxed Sunflower Oil is perfect for high-heat cooking, thanks to its high smoke point. Its mild, neutral flavor won't overpower the ingredients in your favorite dishes. Plus, it's low in saturated fat, which helps to improve cholesterol levels and reduce the risk of heart disease. This oil is also rich in linoleic acid and vitamin E, which protect your cells and improve the health of your skin and hair.

## KriShiv Dewaxed Mustard Oil

KriShiv Dewaxed Mustard Oil is a premium quality cooking oil extracted from carefully selected mustard seeds. This oil is uniquely processed to remove all impurities, including wax, making it a healthy and pure cooking oil for everyday use. It is rich in monounsaturated and polyunsaturated fatty acids, which are essential for maintaining a healthy heart and cholesterol levels. Its distinct pungent flavor adds a unique taste and aroma to your food.

## Krishiv Dewaxed Cottonseed Oil

Krishiv Cottonseed Oil is rich in Vitamin E. It's light, non oily consistency and high smoke point make it most desirable for cooking stir fry, as well as for frying. Unlike some oils, it has a long shelf life and does not deteriorate at high temperatures. Refined and packed at our state-of-the-art refinery makes it the most preferred edible oil.

## Krishiv Dewaxed Soybean Oil

KriShiv Dewaxed Soyabean oil is the perfect choice for all your cooking needs. Made from premium quality soybeans, our oil is carefully refined to remove impurities and waxes, leaving behind a pure, clear oil. It's cholesterol-free, low in saturated fat, and has a neutral taste, making it perfect for all types of cooking..

## Krishiv Konflow Corn Oil

Krishiv Konflow Corn Oil is a 100% pure and natural oil that has undergone a special dewaxing process to remove wax and any other impurities from the oil and enhance its flavor and aroma. It has a high smoke point and is rich in essential nutrients like vitamin E and polyunsaturated fats. This versatile oil is perfect for cooking, frying, and baking. Try Krishiv konflow corn oil today and discover the enhanced flavor and aroma that it brings to your dishes.
